Volume 1, Issue Nos 1–4
JOURNAL OF FORECASTING

Issue No. 1, January–March 1982

An Editorial Statement 1

Some Practical Aspects of Forecasting in Organizations: *G. M. Jenkins* 3

Prediction, Diagnosis, and Causal Thinking in Forecasting: *H. J. Einhorn and R. M. Hogarth* 23

The Role of Macroeconometric Models in Forecasting and Policy Analysis in the United States: *S. K. McNees* 37

The Balance of Effort in Forecasting: *R. G. Brown* 49

A Model of an Average Recession and Recovery: *R. L. McLaughlin* 55

ARARMA Models for Time Series Analysis and Forecasting: *E. Parzen* 67

Research on Scientific Journals: Implications for Editors and Authors: *J. S. Armstrong* 83

Recent Research on Forecasting 105

The Teachers/Practitioners Corner 108

Announcing the Clearinghouse 109

Issue No. 2, April–June 1982

The Accuracy of Extrapolation (Time Series) Methods: Results of a Forecasting Competition: *S. Makridakis, A. Andersen, R. Carbone, R. Fildes, M. Hibon, R. Lewandowski, J. Newton, E. Parzen and R. Winkler* 111

Subjective Confidence in Forecasts: *B. Fischhoff and D. MacGregor* 155

Revisions of Time Varying Seasonal Filters: *E. B. Dagum* 173

Forecasting with an Econometric Model: The Issue of Judgemental Adjustment: *R. M. Young* 189

Practitioners' Forum

Sales Forecasting by FORSYS: *R. Lewandowski* 205

Indexed or abstracted by 'Current Contents', 'Science Citation Index', 'SCIMP' and other leading Indexing/Abstracting Services.

Note

Evaluation of Extrapolative Forecasting Methods: Results of a Survey of Academicians and Practitioners: *R. Carbone and J. S. Armstrong* 215

Book Reviews 219

Recent Research on Forecasting 222

Issue No. 3, July–September 1982

Political Forecasting: The Missing Link: *W. Ascher* 227

Time Series Forecasting Using Robust Regression: *H. Levenbach* 241

How Probable is Probable? A Numerical Translation of Verbal Probability Expressions: *R. Beyth-Marom* 257

Combining Multiple Forecasts Given Multiple Objectives: *G. R. Reeves and K. D. Lawrence* 271

Multicollinearity in Regression: Review and Examples: *R. G. Askin* 281

From Forecasting to 'La Prospective' A New Way of Looking at Futures: *M. Godet* 293

Claims Provisions in Liability Insurance: *J. Lemaire* 303

Book Reviews 319

Recent Research on Forecasting 325

The Teachers/Practitioners Corner 331

Clearinghouse 332

Issue No. 4, October–December 1982

The Role of Forecasting in Corporate Strategy: The Xerox Experience: *R. N. Dino, R. E. Riley and P. G. Yatrakis* 335

Aided and Unaided Decision Making: Improving Intuitive Judgement: *L. Sjöberg* 349

How Accurate are the U.S. Bureau of the Census Projections of Total Live Births?: *D. A. Ahlburg* 365

Prior Information and ARIMA Forecasting: *P. A. Cholette* 375

Forecasting Time Series with Trading Day Variation: *S. C. Hillmer* 385

Requirements for Effective Use of Graphical Methods in Interactive Forecasting: *N. W. Polhemus* 397

Practitioners' Forum

Forecasting and Planning the Jeddah Air Traffic with a Mini Model: *M. Karasek* ... 409
